LARGE GEN. FOR CLUB W9MC Bart has offered to give the club a large portable gad driven generator with electric start on a large hand wheel truck. Alvey's says it is excellent and heavy. Too big for a station Wagon.  
STORAGE ROOM NEEDED FOR CLUB EQUIP. We desperately need a large storage room or section of someones building etc. for a central storage place for club equipment.... especially some of the large units as the above generator, our other generator, boxes of cblbes and possibly a test bench to set up our other gear etc. WHO'S GOT A PLACE??? WHO HAS AN IDEA??? Please advise our Chf. OP Ben Gaither 356-4893 or at Fridays meeting.  
MISC. NEWS Treasurers reports 62 paid up members. Banquet Dinner was a success we usually loose a bundle but are happy to report a net loss of only \$15.54. Thanks to all who attended and supported our annual banquet dinner. Alvey W9EL is on the move again..... its not DX this time it's W4 land, Florida and a short Boat trip. Progress is slow on the Call Directory for Marion County, a committee is forming: we need typing help, printing help and just plain HELP! How about some volunteers ???  
NEW MEMBERS WELCOME to the following new members..... Cary D. Carender, Doyle Curry, Adah Elliott W9RTH Vernon Miller WN9KXL and Carey Williams WN9JUO. Glad to see those new faces.....

A QUARTER WAVE ?

A VOLT AGE?

A CENTER TAP?

A BAND PASS?

A NET WORK?

AN ELEMENT BEAM

A NEGATIVE LEAD?

A FILTER CHOKE?

A GROUND WAVE?

HAM RADIO DAFFYNITIONS.

RF: A position played by  
Roger Maris of the  
yankees.

60 Cycles: A gang from  
the motor cycles club.

The hard way... Bob W9PSE  
found out Bill Lueth was  
sick by reading the DARF  
Mission-Aire radio club paper  
published in San Diego, Calif.

Ben Gaither needs someone  
else for Chf. Op. nomination  
who else can fix the coffee  
and help out?

DON'T BE A DUMMY YOU  
DUMMY, TUNE UP ON YOUR  
DUMMY LOAD.....

WHO HAS AN IDEA FOR A CLUB  
PROGRAM ABOUT RADIO....  
LET'S MAKE 1973 a year to  
remember. Make a note of  
what you want or can line us  
up with and will fit you in  
to our busy schedule.

The Dayton Amateur Radio  
Assoc has 100 less members  
this year..... but they  
still have 190 thats not bad.

Their directors approved the  
new budget of over \$6800.00  
an all time high. Now why  
cant we all get together and  
do something like this in  
INDIANAPOLIS.....????
